Secretary Hobbs:

Please be advised that Pima County did not conduct a hand count audit of ballots for the March 17, 2020 Presidential Preference Election.

Pursuant to ARS 16-602, the County Political Party Chairs did submit sufficient designees to conduct the audit. However, prior to the date to commence the audit, the audit was canceled by a Party Chair due to concerns pertaining to potential exposure to an ongoing COVID 19 pandemic.

Respectfully,
